Greetings Camp Florida!

We want to extend a welcome to our approximately 60 new POA members! We hope you have all received your welcome packet. A new members/renters meeting is scheduled for Sunday, January 9th at one o'clock in the clubhouse. We plan to review with you many of the workings of the park and will be able to answer any and all of your questions.

The board has been discussing many changes such as cleaning storm drains, additional storage, speed bumps, new flooring in the pool house, repair of the dock by the boat ramp just to name a few.

The park looks very nice. Be sure to extend your gratitude to our outstanding maintenance crew and volunteer beautification committee.

Camp Florida Resort has many volunteers making our very active community a fun and desirable place to be. We are grateful for all of your diverse talents and willingness to volunteer your time.

FROM THE DESK OF JOHN SIMS.... PARK MANAGER

I hope everyone had a great Thanksgiving, and you have an even better Christmas!

We have so many new property owners that I wanted to get some information out to them and our new renters.

The house trash/garbage goes in the dumpsters at the top of the hill by the maintenance building. The county is no longer recycling. Cardboard also goes in the household trash, NOT in the home goods or construction containers at the bottom of the hill.

NOTE: Every time a property owner or renter throws household trash/garbage in the containers at the bottom of the hill. It cost an **additional \$250.00 per container to the POA.**

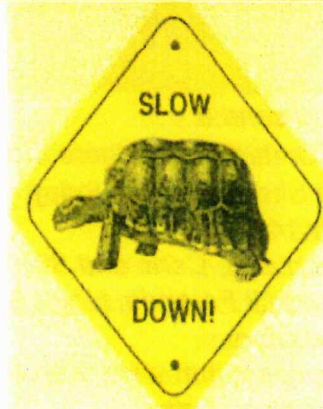

There are signs in front of the containers that show what you can & cannot put in those containers

Please remember the speed limit is 15 MPH. Also when clearing behind your property you can only go 10 to 15 feet onto common ground and you can only clear the underbrush, no trees or large bushes, if you want to clear more than that, you have to have board approval. If you cut down a live tree you have to replace it with another tree. These are some of the things new property owners and renters are not getting. If you have any questions please call me John Sims @ 863-991-0313

Please make sure you place your Camp Florida POA sticker on your windshield lower left, please so we know who is in the park Have a MERRY CHRISTMAS & A HAPPY NEW YEAR

Reminders

**The Speed Limit
for the
ENTIRE Park
Is
15 miles

**Laundry Rooms**

The laundry rooms in the bath houses will be unlocked until **04/01/2022**

**EXCEPT

The locks in A-Circle will still operate and be locked.

**Yard Waste and Construction Materials**

- Please, do not put any yard waste or construction materials in the trash containers.
- There are containers designated for this material on the side of the storage yard. Use the designated containers. Thanks.

Beware of Holiday Scams Don't Let Your Holidays be Stolen

from an online Article by AARP <https://www.aarp.org/money/scams-fraud>

Sadly, 'tis the season for scams, as cybercrooks cook up schemes to exploit our holiday habits.

A few scams are specific to the holidays, but most are variations on everyday frauds, ramped up to match seasonal spikes in spending and web traffic. Not surprisingly, they often center on shopping, especially online.

Two-thirds of consumers expect to buy gifts mostly online this season, according to research company Ipsos' 2021 holiday survey, and nearly 3 in 5 are doing so more than they did before the COVID-19 pandemic.

Keep Your Guard Up for These Scams

•**Charity scams:** One-third of all charitable giving is done in December, fundraising software company Network for Good reports. That means more sham charities exploiting Americans' goodwill via fake websites and pushy telemarketers. This is the most common holiday con, the AARP poll found, with 38 percent of respondents saying they've received a dubious donation request.

•**Delivery scams:** As holiday packages crisscross the country, scammers send out phishing emails disguised as UPS, FedEx or U.S. Postal Service notifications of incoming or missed deliveries. Links lead to phony sign-in pages asking for personal information, or to sites infested with malware. A third of those surveyed by AARP said they've experienced a delivery scam.

•**Travel scams:** Despite the pandemic, 46 percent of U.S. adults plan to travel during the holidays in 2021, a SurveyMonkey poll found. Spoof booking sites and email offers proliferate, with travel deals that look too good to be true and probably are.

•**Letter from Santa scams:** A custom letter from the jolly old elf makes a holiday treat for the little ones on your list, and many legitimate businesses offer them. But so do many scammers looking to scavenge personal information about you or worse, your kids or grandkids, who may not learn until many years later that their identity was stolen and their credit compromised.

•If you encounter a holiday scam, file a complaint with the Federal Trade Commission

• (online or at 877-382-4357) and report it to your state's attorney general and consumer protection office

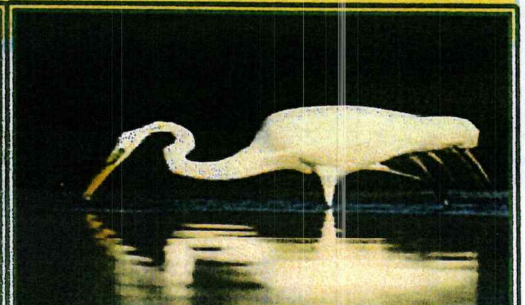

"Critter" of the Month Great Egret

Description: Great Egret

Visit a Florida pond or coastal marsh and look for an all-white bird—slightly smaller than a Great Blue Heron, with black legs, S-curved neck and a yellow, daggerlike bill. It may be wading slowly or standing stock-still, peering intently at the water as it searches for fish, using stand and wait techniques.

Fun Facts: Great Egret

- The Great Egret is the symbol of the National Audubon Society, one of the oldest environmental organizations in North America. Audubon was founded to protect birds from being killed for their feathers.
- Great Egrets fly slowly but powerfully: with just two wingbeats per second their cruising speed is around 25 miles an hour.
- The oldest known Great Egret was 22 years, 10 months old and was banded in Ohio.

To ALL LOVERS

Due many people's requests, I had planned on leading the Yoga stretch class on Tuesday and Thursday mornings. But my latest setback makes it impossible for me to follow through.

Because there continues to be good interest, I hoping there is someone in our community who will lead the class. I have a great deal of books and DVDs that anyone who is interested is more that welcome to use for guidance. Please come and see me at 16 Inner Lane, 315-524-8032 or email me at dlucey60@gmail.com.

The other option to consider is using DVDs. If no one steps forward, I will research various DVDs and purchase a few so the class has a variety.

Thank you all for your continued commitment to Yoga

VETERANS CEREMONY & RESIDENTS' MEMORIAL EVENT

Camp Florida has a long tradition of honoring our veterans and remembering those we hold dear with an annual ceremony. Ron Hazelton has chaired this event for many years. Ron has decided to pass the baton to new chair persons.

Your new co-chairs are:

- Rockie Kainz (863-633-8177 Rvbikers16@gmail.com)
- Janel DesJardins (810-712-1670 jjdesjardins@att.net)
- *It will take at least 2 of us to replace Ron!*

A huge **THANK YOU** to Ron for the many hours he spent organizing the event and gathering all the needed volunteers. We hope the past volunteers will generously step up again to help with this event. We will also need a number of new volunteers to put on the event our residents and guests look forward to seeing each year.

In the past, the program was held on Pearl Harbor Day, December 7th.

To open the event to more folks, it will now be held on

President's Day, February 21, 2022.

We are also moving the event outside to accommodate more attendees.
