- d. Motion to approve guidelines for operation of drones within our park.  
A motion by Reising seconded by Blakeslee to adopt the documented Camp Florida drone operation guidelines as written to mirror the FAA guidelines. Included in these guidelines are rules that are specific to Camp Florida due to the restricted area within 1000 feet of the eagles nest during nesting season which is October 1 until May 15. This would include the exclusion of the air space around the pool storage
