Hi Nancy,  
Thank you for your email.  
I will use my own sound system. Sometimes there's a "diva" who insists I use "his great sound system" and it's crap, so I write that into my contract to cover me in those cases.  
I hope all's well. Thankfully the weather is getting better here in Pittsburgh.  
All the best,  
Cahal

Dear Cahal:

I have received your contract, thank you very much for that. I have a concern about the statement, "Cahal Dunne has the right to choose to use his own sound equipment, or your sound system, or a combination thereof. I would like you to use your own sound equipment. I don't think I would need a new contract to reflect that, but a response to this email indicating that you are in agreement with that will suffice.
