This is Nancy Johnson, the Entertainment Chair at Camp Florida POA in Lake Placid, FL. You performed here in 2018 and 2022, and we are interesting in booking you again. We have all of our entertainers hired for the winter season of January through March of 2025, therefore, I am inquiring whether you are booking out as far as 2026? If not, that is fine, just let me know when I should contact you again. We are looking at Saturday, March 14, 2026. I am also interested in what your rate would be? We booked you previously through Dudley with Entertainment Designers Network, but she is retiring and has told me that I can work directly with her entertainers.
