Letter from our POA President - Ron Goudy

As we welcome another season at the park, I want to take a moment to say how happy I am that we are all here together again.

For many of us, coming back to the park means reconnecting with friends, catching up with neighbors, and picking up right where we left off. It's the familiar smiles, the friendly conversations, the laughter, and the little things that make this place so special. Before we know it, the park will be buzzing with activity, and it will feel like we never left!

At the same time, we know that this season begins with some sadness. Over the past year, we lost members of our park family who were important to us and who helped make this community the special place it is today. We extend our heartfelt sympathy to their families and loved ones. They will be missed, remembered, and forever remain a part of our park family. As we gather again, let us honor their memories by sharing the kindness, friendship, and community spirit they brought to our lives.

I also want to give a special hello to those of you who call the park home all year long. You are an important part of what makes our community so special, and your presence helps keep the spirit of the park alive throughout every season. Whether you live here full-time or come to enjoy your time here during the warmer months, you are all part of one community, and you all belong.

As president of our Property Owners Association, I feel fortunate to be part of such a wonderful community. We may all have our own reasons for loving this place, but I think we share something in common: the friendships, the sense of belonging, and the memories we continue to make here.

As we begin another season, I hope we will all take the time to say hello to someone we haven't seen in a while, welcome a new neighbor, lend a helping hand when needed, and remember that the little things we do for one another make a big difference.

My hope is that this year brings us plenty of sunshine, lots of laughter, new memories, and many opportunities to enjoy the place we are lucky enough to call our home away from home—or, for some of us, simply home.

Thank you for being part of this community and for making it such a special place to be. I look forward to seeing familiar faces, meeting new ones, and sharing another great year with all of you.

Welcome back, welcome home, and here's to a wonderful season together!

Warmly,

Ron Goudy

Message from: Colsonn Jean, Park Manager

Welcome Back, Camp Florida Family!

Welcome back to all our POA members who have already arrived, and to those who are still on their way, we look forward to welcoming you back soon! We hope everyone had a wonderful summer and is ready to settle back in, reconnect with friends and neighbors, and get back into the swing of things here at Camp Florida.

The summer months were hot, humid, and relatively quiet. Thankfully, we experienced no major storms, serious issues, or emergencies. As we begin another season, I would like to bring a few important items to your attention.

1. Renter Registration and Pet Documentation

All landlords are reminded that **renter registration forms must be completed and submitted to the office**. Forms may be mailed, emailed, or delivered in person when your renters arrive. To help ensure a smooth check-in process, we strongly encourage owners to submit the paperwork before their renters' arrival.

Additionally, if your renters will be bringing a pet or service animal, **all required animal documentation must be submitted to either myself or Brenda Whitcombe before their arrival**. Pet approval must be given prior to renters arrival. If a renter arrives to CFR with a non approved pet, they WILL be turned away. Your cooperation helps us ensure that all required paperwork is completed in advance.

2. Storage Lot Tags and Registrations

Please remember to keep all tags and registrations for vehicles, trailers, and other applicable items in the storage lot current and up to date.

We have established a good working relationship with Highlands County, and they have been working cooperatively with us to help ensure compliance. We have identified a few items that need updated tags or registrations, so please take a moment to check yours and make any necessary updates. Keeping everything current will help prevent potential issues for both owners and the POA.

3. Weed Control and Property Maintenance

The summer heat and frequent rain have encouraged significant weed growth throughout the community. Please take the time to inspect your property and have any weeds pulled or sprayed as needed.

If you are not planning to return soon, our staff may be available to assist with weed control outside their regular working hours. Please contact the office for more information about availability and arrangements.

We have also noticed that some homes and driveways could use a little extra cleaning and attention. If you are unable to take care of these items yourself before returning, please arrange for someone to handle them or contact the office to inquire about hiring one of our staff members for assistance.

Working Together for a Great Season

Our goal is to maintain Camp Florida as a clean, attractive, and welcoming community where everyone can relax, enjoy the Florida sunshine, and make the most of their time here.

Thank you for your continued cooperation and for doing your part to keep our community looking its best. We appreciate each of you and look forward to another wonderful season together!

Welcome back, and enjoy the season!

Sincerely,

Colsonn Jean
Park Manager

Details to follow!

Poolside Grilling
Beginning December 5th
Saturdays
11:00 am to 1:30 pm

Important message from Tom

After a thorough cost analysis, I would like to announce that the prices at the grill will be increasing slightly. As anyone who goes grocery shopping knows, the cost of beef has gone up significantly over the summer and we have been forced to increase our prices accordingly. Hamburgers, cheeseburgers, bratwurst and chicken sandwiches will now be sold at $6 each. Double burgers and double cheeseburgers will now cost $8 each. Soda will remain the same at $1 per can.

We plan to have the first grill on December 5th and every Saturday thereafter with the exception of December 26th. This assumes that we will have sufficient volunteers to staff the grills and kitchen. Note that if we don't have enough staff, we will take down the grill sign on Shoreline Drive several days prior to that Saturday. I will be posting sign-up sheets in the clubhouse the week of November 16th - please consider joining one of our teams!

Thank you for your past and future patronage!

Announcing Our First Christmas Decorating Contest

It’s time to light up the neighborhood! We are thrilled to announce our **first-ever Community Christmas Decorating Contest**. This is all about bringing neighbors and friends together to spread some holiday cheer and see which street or block has the most spirit.

Important Dates

- **Kickoff:** Thanksgiving Day (Start those displays!)
- **Grand Finale:** December 20th
- **Winners Announced:** Following our **Christmas Dinner.**

What are we looking for?

While we love beautiful displays, this year is all about **participation!** Grab your neighbors, string those lights, and let's see which part of our community can shine the brightest.

Get your wreaths, lights, and lawn ornaments ready—let’s make this the most festive year yet! If you have extra decorations at home to add to your display, bring them with you.

Watch for "Deck the Halls" in the December CRITTER

The yoga class that was formerly the Stretch and Strength class will now be...

The Long Life Flow: Yoga for Wise Aging.

This class will be an excellent class to use yoga to improve our minds, bodies and spirits which is really what yoga is all about. We will be using the many different poses and movements to bring us not only vitality and improvement in the body but also the peace, harmony and joy that we all hope to have on a daily basis.

I personally believe that we will find the change to be beneficial to all participants. Nothing more is required but comfortable clothing and a desire to be better. I look forward to this change and hope you will come and see for yourself at classes that will be starting in January.

See you soon!
